

Sons of American Legion Detachment of Vermont Commanders Project 2018

The Commanders Projects for 2018 is to raise funds for the Ronald McDonald house in Burlington, VT. Their mission statement is attached, along with descriptions of the other areas where they are involved. We want to support their efforts as much as possible this year, as they provide critical services to many families in our area. We will make our presentation in April of 2018, Children and Youth Month, at the house in Burlington. We will be talking about this as we make our Visitations. Thank you for helping us as a Detachment make a great donation to a very worthy cause! Checks are to be made out to: "Detachment of VT", with Ronald McDonald House in the memo.

Any checks mailed go to:

Norm Scolaro, Finance Officer

158 Moscow Woods Road, E. Calais, VT 05650

The Ronald McDonald House Charities of Burlington, Vermont, the "home away from home" for families with seriously ill children seeking treatment at the University of Vermont Children's Hospital. It is our aim to be a refuge for families experiencing the stress and anguish of their loved one's illness. Whether for a short stay, or for weeks at a time, we provide families with the comforts of home as well as the support of our dedicated staff and volunteers.

Ronald McDonald House

Conveniently located in downtown Burlington and less than a mile from the University of Vermont Children's Hospital. The Ronald McDonald House of Burlington provides families with the comforts of home while also offering the support of the staff and volunteers. We serve nearly 300 families in 2016.

Ronald McDonald Family Room

The Ronald McDonald Family Room is a partnership with the University of Vermont Children's Hospital and RMHC to provide families a quiet retreat from the hospital setting, while remaining on the pediatric floor (Baird 5). The Family Room provides a home-like place for families to do laundry, take a shower, make a meal or just relax and use the TV or computer. The Family Room served over 4000 guests in 2016.

Ronald McDonald Care Mobile

The Ronald McDonald Care Mobile with the Community Health Center in Plainfield, and other Health Centers in Vermont to provide, high-quality dental services to the underserved and uninsured children who do not have access to a dentist. Last Fall the Care Mobile served closed to 500 patients.
